**TOTALLY FREE!
TOTALLY FUN!
TOTALLY CAMP!**

Coming in July! **Camp@Home** with **UNICEF Kid Power** offers a unique **FREE** online camp experience. Keep kids active all summer long, while also empowering them to make a positive difference in the world.

Camp directors, teachers, and parents can create **daily schedules** (using 75+ videos!) to share with their kids at home. With each video played, kids "unlock" critical donations that UNICEF then distributes to children who need the extra support in our global and local communities!
